Re: United States v. Markel Overton  
DK#17cr644(NSR) -01

Dear Judge Roman:

Please accept this letter as a consent request to adjourn the defendant's sentencing currently scheduled for September 14, 2021. The undersigned is requesting a sixty day continuance of the sentencing date. The basis for this request is that the mitigation investigation for sentencing has not yet been completed. As the Court is aware the undersigned engaged a mitigation specialist to assist the undersigned in the preparation of the mitigation presentation for sentencing. The undersigned has received a preliminary report from the mitigation specialist but there is still further investigation that is necessary to present a complete mitigation presentation to the Court. Additionally, the undersigned has contacted Assistant United States Attorney Anden Chow, and he has no objection to this request. Therefore, for all of the above reasons the undersigned is requesting the adjournment of the defendant's sentencing for sixty days to complete the mitigation investigation.

Very truly yours,

  
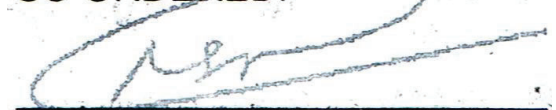

Francis L. O'Reilly
